CHAPTER 2
SMALL COINCIDENCE (2)

SWOOM

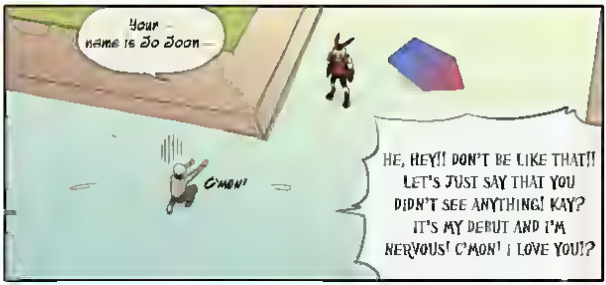
?

STEP

Is that your real name?
LAST NAME IS A-
YOU IDIOT, OF COURSE NOT!!!

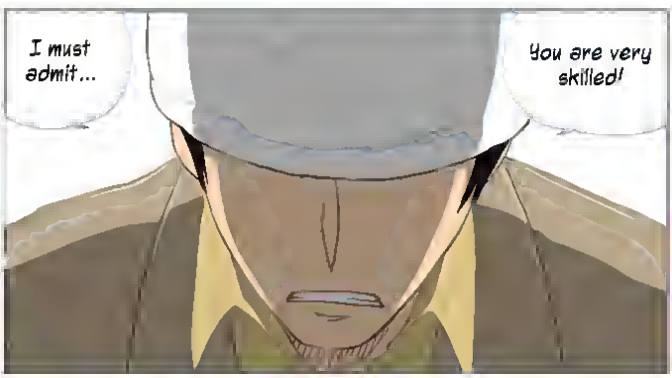
And also, when us heroes become famous and known worldwide, we must keep our identities an absolute secret, for we wish to keep our personal lives separate from work. I also have this responsibility, and my identity is a complete secret!
SUPER DEBUTED

Take off your nametag first
TURN
AGAGA!

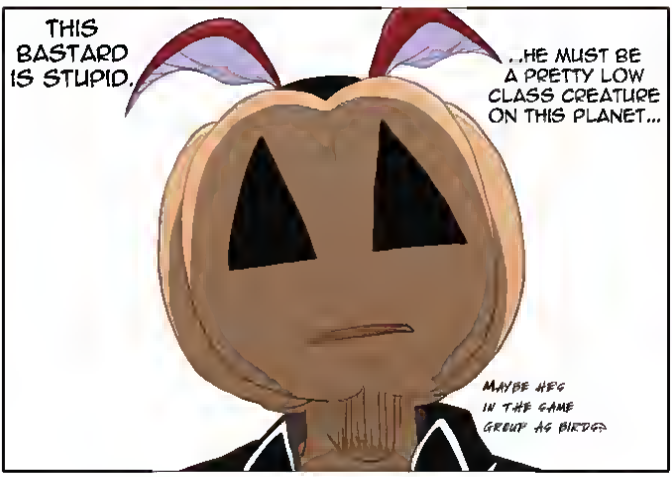


Your name is Do Doon—
C'MON!
HE, HEY!! DON'T BE LIKE THAT!! LET'S JUST SAY THAT YOU DIDN'T SEE ANYTHING! KAY? IT'S MY DEBUT AND I'M NERVOUS! C'MON! I LOVE YOU!?

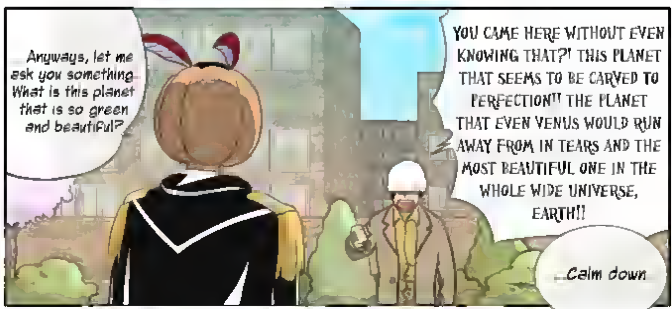
DAMMIT! THIS BASTARD'S PRETTY SMART! HE'S ALREADY FOUND OUT MY WEAKNESS!
AND THAT SKILL OF DIGGING STRAIGHT THROUGH IT!!!



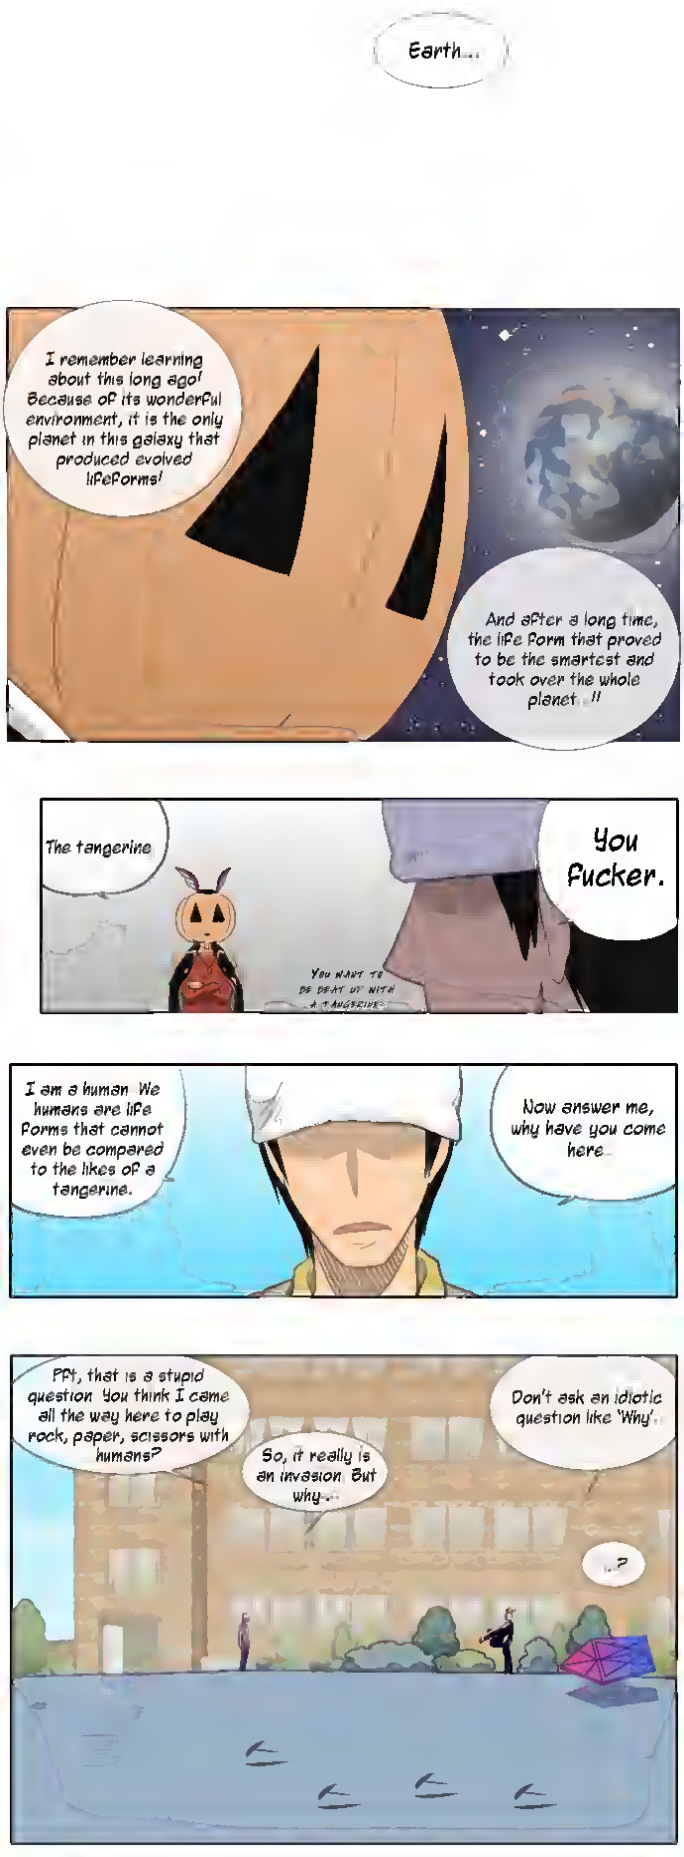
I must admit...
You are very skilled!



THIS BASTARD IS STUPID.
..HE MUST BE A PRETTY LOW CLASS CREATURE ON THIS PLANET...
MAYBE HE'S IN THE GAME GROUP AS BIRDS



Anyways, let me ask you something. What is this planet that is so green and beautiful?
YOU CAME HERE WITHOUT EVEN KNOWING THAT?! THIS PLANET THAT SEEMS TO BE CARVED TO PERFECTION!! THE PLANET THAT EVEN VENUS WOULD RUN AWAY FROM IN TEARS AND THE MOST BEAUTIFUL ONE IN THE WHOLE WIDE UNIVERSE, EARTH!!
...Calm down.

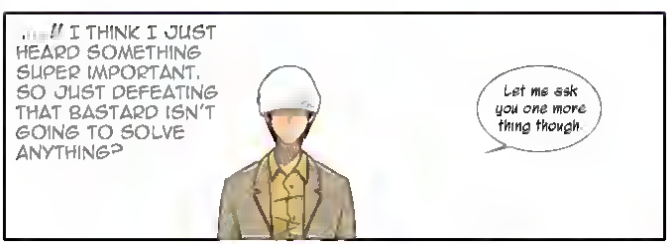


Earth...
I remember learning about this long ago! Because of its wonderful environment, it is the only planet in this galaxy that produced evolved lifeforms!
And after a long time, the life form that proved to be the smartest and took over the whole planet..!!
The tangerine
You fucker.
You want to be beat up with a tangerine?
I am a human. We humans are life forms that cannot even be compared to the likes of a tangerine.
Now answer me, why have you come here.
Pft, that is a stupid question. You think I came all the way here to play rock, paper, scissors with humans?
So, it really is an invasion. But why...
Don't ask an idiotic question like 'Why'.
..?

You isolated humans may not know this, but in outer space, there has been a bloody war going on for more than hundreds of years
There is so much violence that most of us have learned to ignore it. To take control of the universe and to prove which races are superior we wage war.
This kind of war has gone on so long, that 'why' someone invades some planet is no longer of any consequence.

Invasions, plundering, betrayal and revenge never end, and it has become hell
To win For survival...

And you humans cannot be isolated Forever



...// I THINK I JUST HEARD SOMETHING SUPER IMPORTANT. SO JUST DEFEATING THAT BASTARD ISN'T GOING TO SOLVE ANYTHING?
Let me ask you one more thing though.

Those people—
...Are they dead?

Was there a reason to keep them alive?
GRIN

ANGER...
CRACK
CRACK
...Alright, I got it. The things you said about the space war are confusing, but I definitely understood that you are the villain..
WOOSH

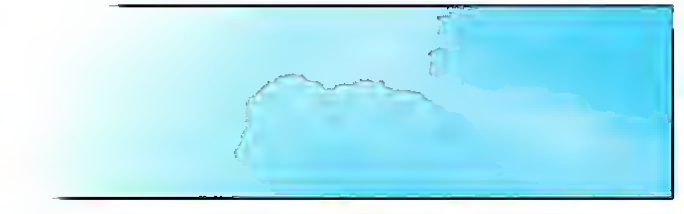
Self appointed hero, Aimer!!

You're definitely digging right into my nerves.
I'm not going to back off no matter what you say, you ugly pumpkin!



CROWD
CROWD
...Hey, what happened?

Did you call 911?
Isn't it still dangerous?

You should check it out
Stupid, I might die
That's why you should check it out
You want me to Fucking die?
CROWD
